

## QUILTED SAFETY BLANKET

The only quilted safety blanket on the market manufactured with patent-pending ComfortGuard material. The added warmth and softness of brushed cotton combined with the durability and strength of high denier polyester provides the most comfortable safety blanket for individuals in crisis.

INCREASED COMFORT = SUBSTANTIALLY REDUCED COMPLAINTS!

CG-006

### ORDERING & INFORMATION

**1-800-506-0992**

#### TESTING:

ComfortGuard material exhibits no dimensional changes when subjected to AATCC 135 Dimensional Stability Test per American Association of Textile Chemists and Colorists.

#### LAUNDERING:

Wash in standard institutional laundry. Tolerates high temperatures and harsh detergents, but for best longevity avoid chlorine bleach and overly hot dryers.

#### WARRANTY:

ComfortGuard products carry a lifetime guarantee against defects in material and workmanship. Because of varying conditions of use and care, we are not able to warranty these products against normal wear and tear or usage.

#### COMPANY:

ServoVita, Inc.  
PO Box 14099  
Fremont, CA 94539  
TEL: 1-800-506-0992  
FAX: 1-510-698-6298

California Certified Small Business  
Woman Owned Business

ComfortGuard products are all made in the United States of America.

#### DESIGN:

Extra large size provides full coverage for even the largest inmates and patients.

Velcro tabs can be added so two blankets can be attached to create a sleeping bag.

High bulk material eliminates ability to knot or noose.

#### MATERIAL:

Patent-pending combination of industrial strength urethane backed high denier polyester exterior and heavy duty brushed cotton interior quilted together with industrial nylon thread in a cross stitch pattern for ultimate strength and durability.

#### CONSTRUCTION:

Blanket edges are overlock stitched for added durability and strength.

High strength nylon thread used for all quilting and construction.

#### SIZES:

LARGE: 56" width - 80" length

#### COLORS AND OPTIONS:

Available in dark green and dark blue.

Custom sizes available upon request.
